

PICKING UP AND DROPPING OFF CHILDREN POLICY

Our commitment

The Darwin Netball Association (DNA) is committed to providing a safe environment for the participation of children and young people. Part of this is ensuring that children and young people are not left alone after training practice or games.

What we will do

- Make sure parents/guardians and children know the time and location of practice and games and when they can expect to collect their children.
- Request coaches and other sporting personnel to arrive before scheduled practice or game times.
- Ensure that if parents/guardians are late, as a duty of care coaches will make contact with the child's parents and remain behind until the child is collected.

What we ask you to do

- Pick your children up on time or make other arrangements.
- Inform the coach about any changes in arrangements for picking up your child.
- Advise your child that if you are late to advise the DNA office
- Transporting children to their homes is to be avoided unless permission has been given by the child's parents/guardians.
