## SAFE TRANSPORT POLICY

---

### Rationale

Darwin Netball Association recognises that:

- It has a duty of care to all members and visitors involved in club-related activities
- Mixing drugs (including prescription medication) with other drugs or alcohol can seriously affect the ability to drive safely
- Driving under the influence of alcohol and drugs is illegal and hazardous to individuals and the wider community
- Drink driving is one of the main causes of road deaths in Australia
- It takes one hour for each standard drink of alcohol consumed to be broken down by the liver
- It takes considerable time until a person can legally and safely drive home if they have consumed over the recommended levels of alcohol.

Accordingly, the following safe transport policy shall apply for all functions undertaken by the club that involve the serving and/or consumption of alcohol.

### General

- Where possible, the club will display standard drink posters / cards to help patrons recognise what standard drinks are and the implications on drink driving.
- Non-alcoholic drinks will be considered as part of raffle prizes and awards.
- Contact telephone numbers for taxi services will be clearly displayed in the club.

### Bar Staff/Servers of Alcohol

Bar staff/servers of alcohol shall:

- Encourage members and visitors to make alternate safe transport arrangements if they are considered to be intoxicated or at risk of exceeding .05 blood alcohol concentration
- Promote low alcohol and non-alcoholic drinks to consumers

### Club Functions

- The club will provide transport to and from functions where available and possible.
  - The bus or transport provided will be an alcohol-free zone (ie. no loading up the bus with alcohol or consuming alcohol on the bus).
  - People who have consumed alcohol are to make alternative safe transport arrangements to get from the bus drop-off to home.
- In specific cases, where a designated driver nominated by the club has accepted the responsibility to drive others home safely, the club will provide non alcoholic drinks and/or bar food free of charge (or passengers will be encouraged to pay for these for their driver).
- Taxi company phone numbers will be printed on the function invitation / flyers.
- The MC for the function/committee will advise attendees that the club is a Good Sport accredited club, communicate the safe transport options and regularly remind attendees to drink and behave responsibly.
