## WORKING WITH CHILDREN CLEARANCE POLICY

---

### Purpose

Clearance Notices are designed to keep children safe by preventing those who pose a risk to the safety of children from working with them, in either paid or volunteer work.

Everyone who is issued with a Working with Children Clearance Notice will also receive an Ochre Card. The Ochre Card can be carried with you in a wallet or purse as easy proof that you hold a Working with Children Clearance Notice.

### Northern Territory Legislation

It is mandatory for people who have contact or potential contact with children in certain specified areas of employment to hold a Working with Children Clearance Notice. For the interests of those associated with the Darwin Netball Association this includes administrators, coaches, team managers, medics etc.

The *Care of Protection of Children Act* is the legislation in the Northern Territory that applies to people working with children in an employment or volunteer capacity.
