

PLAYER'S REPRESENTATIVE JOB DESCRIPTION

Our Organisation

The Darwin Netball Association (DNA) is the governing body for netball in the Darwin region. We aim to unite, inspire, enrich and support those who love the sport of netball as much as we do.

The DNA has an elected Management Team who are volunteers. The DNA has a part time Administrative Officer who coordinates the administrative functions of the Association to lessen the burden on the volunteers.

Primary Objective

- The Senior Representative's role is a volunteer position.
- To provide an unbiased view on all aspects of the competition from a players' perspective.

Key Duties

- Promote programs, resources and courses
- Attend Junior and Senior competition nights as required and as many DNA events as possible to promote the DNA and support players, coaches, managers, clubs, umpires, parents and spectators
- In conjunction with the Media Officer develop player profiles of our Premier League Players Assist in the organising of the end of season senior presentation event
- Perform any other duties as directed by the Management Team
- Observing off court behaviour of spectators, coaches and managers.

Skills Required

- Good communication skills
- Friendly and caring attitude
- Effective delegation skills
- Is well informed of all DNA activities
- Is aware of the future directions and plans of the DNA
- Understanding of the DNA's constitution, by-laws, policies and procedures
- Is a supportive leader for all DNA members
- Can maintain confidentiality on relevant matters
- To acknowledge the requirement for separation of personal interests and DNA matters
- Act in the best interest of the DNA at all times whilst in the assigned role.
